

# Kings Lynn Regatta

Sunday 12<sup>th</sup> May 2019

## Corn Shovel Race Instructions

### Contacts:

<b>Race Officer (Andrew Dewing)</b>	<b>Safety Boat 1 (Bob Panrucker)</b>	<b>River Authority KLCB</b>
<b>VHF ch'M' (37)</b>	<b>VHF ch'M' (37)</b>	<b>VHF ch14</b>
<b>All competing gigs will be given a number to display whilst racing</b>		

### 1. The Course

- 1.1. Please see reverse for diagram
- 1.2. The Corn Shovel course will be from the pontoons, downstream towards the docks.
- 1.3. Past the Purfleet to the Ouse Booze (recognised by the small ferry steps and overhanging balcony)
- 1.4. The ferry has right-of-way at all times
- 1.5. Make off to the Balcony or the Steps and collect a pint of ale (plastic glasses only please) from the Ouse Booze – ***take care as the steps may be slippery!***
- 1.6. Return the Ale to the pontoons (points will be deducted for less than a full pint, hint: get a couple of pints)
- 1.7. ***Keep well clear of any skiffs coming towards you; (Pass unconventionally STDB to STDB)***

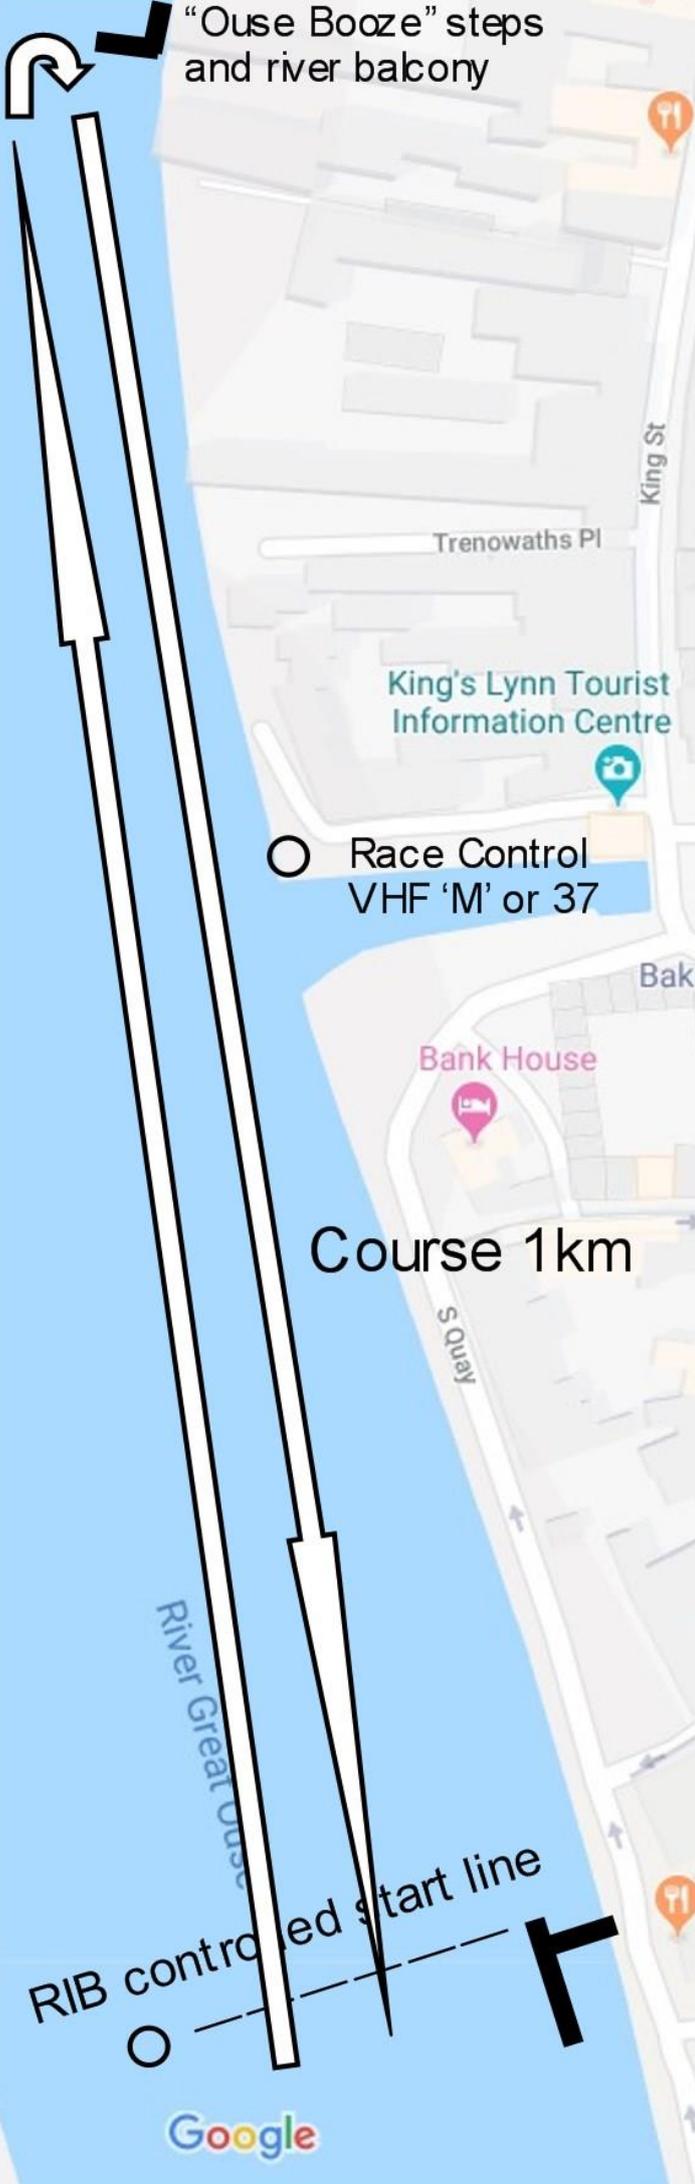

### 2. The Race(s)

- 2.1. There may be heats as we only have 16 shovels (max 4 per skiff)
- 2.2. Shovels only, no oars; Cox'n recommended and passenger advised (to prevent spillage)
- 2.3. The Safety RIB will start the race(s) with:
- 2.4. **1 minute before the start, a single sound signal.**
- 2.5. **10 second countdown (on Tannoy); long, single sound signal**
- 2.6. The races will start downstream on a transit line between the pontoon walkway to shore and the Safety Boat (RIB)

### 3. Safety

- 3.1. All rowers will wear a life jacket including coxswains.
- 3.2. A RIB will be on hand throughout the racing; all boats must carry a working hand-held portable VHF radio; set to regatta chM(37); or a waterproof mobile phone. (suggestion: set dual watch with Kings Lynn Port's ch14)
- 3.3. All race entries will be given a numbered entry sheet to display whilst racing
- 3.4. All boats must steer a proper course. Any zigzagging to block another boat will result in disqualification. The 'Two boat lengths clear' rule applies when rounding marks.
